

# The University of Suwon

## YouTube Yourself

### Fall 2019 - Brett Clark

**Office Location:** International College  
**Email:** brett.suwon@gmail.com  
**Office Hours:** TBA  
**Course Format:** Online, Multimedia

### Course introduction

This course will be an introductory course in the use of technology, tools, and methods focusing on the use of YouTube. Students will study a variety of tools and topics that will assist them in enhancing their personal, professional and academic profile. The course will cover some basics of design, presentation and media creation projects and portfolios. Students will also learn about online collaboration and collective work with the use of the google apps platform. The media focus will be based on the use of smartphones as creation devices. Students will also create a basic personal website to use for this course which will be used as a digital portfolio.

Students taking this course will be given an opportunity to learn skills which can enhance their academic profile and enrich their projects and assignments for the duration of their academic career and continue into their professional careers.

### Course objectives

- Students will be able to effectively use digital tools for academic work
- Students will be able to use a variety of online tools to make a presentation of material
- Students will be able to create and use a digital portfolio
- Students will be able to use online tools for interactive experiences
- Students will be able to create basic media productions
- Students will be able to identify various social media tools and their functions

**Competencies:** Communicative / Personality / Self-directed learning / Professional / Global / Creative

### Course language

**This course is taught completely in English.** Students will need to have a good level of English to read and understand the contents and to complete the assignments.

### Course guidelines, requirements and expectations

All students must:

- use the required text/material and download or prepare any other materials required by the teacher
- act respectfully and courteously in class at all times
- place all handphones on **silent** and **do not use them** unless asked to by the teacher
- be on time and be prepared
- attend and participate actively in all classes
- complete all required readings, assignments and exams

## Required texts/materials

*YouTube for Dummies* (PDF in week 1)

**This course requires students to have a smartphone with a functioning camera and microphone as well as access to a desktop computer to use for Canvas and some projects.**

## Course website
